

Calling all local musicians in the Albuquerque area!!

Do you have original musical compositions or public domain works that you would love to perform live in a well-known Albuquerque venue?

Why?

We want to collaborate with local musicians for a production during BRT's upcoming 20th Anniversary Season (2009-2010).

Ensemble and solo music will be selected to accompany the works of BRT's choreographers for a series of live performances at the historic KiMo Theatre.

This is your opportunity to promote yourself and your music!

- BRT will review any pre-recorded original musical compositions or public domain works with or without lyrics. The styles can be as varied as the composer would like—jazz, classical, rock, folk, anything ethnic, country—the sky is the limit.
- All entries will be judged for their originality, ability to lend themselves to choreography (it must be danceable!), and a demonstration of noteworthy musical skills of the performer/s.
- The music should be no longer than 30 minutes.
- A list of all musical equipment and performers must accompany the audio CD.
- The musicians must be able to supply all needed equipment to perform the music live at the KiMo Theatre. (If a piano is needed, arrangements can be made through the KiMo.)
- The performer/s must be available in April 2010 to perform the music live exactly as the chosen entry was recorded.
- Winning composers and performers will have the opportunity to perform at the KiMo free of charge and will be included in media publicity supplied by BRT.

**To enter, submit your recorded music on an audio CD:
